Supervisor Putman  
Councilman Seidl

Justice Schmutz  
Justice Sweet

This meeting was called to discuss the possibility of purchasing three sections of land for later promotion by the Town Of Caroga. These sections to be purchased under the plan discussed in the meeting of February 14th this year, whereby the State of New York would pay 75% of the purchase price of land bought by municipalities for use as recreational areas. A lengthy discussion of the pros and cons of this plan took place and it was decided to apply for the purchase of the three pieces of land. The entire board agreed that the town would never get a better chance to acquire land and the land could be used for expanding the Golf Course and to create a camp site, both of which would be beneficial to the town.

A motion to have Supervisor Putman send an application for the purchase of three sections of land to the State, these sections being:

Approximately 50 Acres, #1669 Tax map 8, B. Gilbert,  
at the agreed price of \$3000.

Approximately 50 Acres, #1671 Tax map 8, C. Shutts Sr.  
at the agreed price of \$4000.

Approximately 150 acres, #1713 Tax map 1, E. Brown, on  
at the agreed price of \$12000.

note:  
1713 is  
now known as  
53.00-1-14

The motion was made by Justice Sweet and seconded by Justice Schmutz, All aye, motion carried.

This concluding the special meeting Justice Sweet made a motion to adjourn until the next regular meeting on April 12, 8PM, seconded by Justice Schmutz, all aye..
